Beloved

Francis Chan

Summary

Bestselling author and pastor Francis Chan explains how abiding in the love of God frees us from insecurity and leads us into a lifetime of joyful, worshipful obedience.

Despite pastoring for decades and reaching thousands of people through his books and preaching, Francis wrestled with deep-seated insecurity. He understood God's love conceptually, but struggled to actually experience it. This resulted in a life that was far from the thrilling and peaceful life God saved us for.

Francis prayed fervently for God to intervene, and asked his friends and family to do the same. The result was a fresh revelation of the depth of God's love and affection. This brought about newfound freedom and enjoyment of God that only continues to grow.

As Francis shared this journey with others, he realized that many in the Church are burdened by the same insecurity, and God is zealous to change this.

In *Beloved*, Francis Chan gives biblical insight into:

- How our restlessness and striving is a symptom of our...

I Don't Even Like Women

And Other Lies That Get in the Way of Sacred Sisterhood

Natalie Runion

Summary

Collaborator or competition? Trusted friend or backstabbing rival? Bestselling author Natalie Runion flips the script on narratives that keep us from enjoying God's design for female friendships.

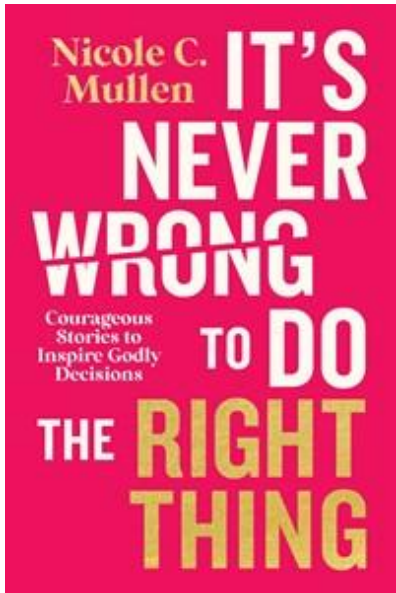

Even women in the Church often find it hard to trust—or like—other women. But when we see one another as a refuge, rather than an enemy, we can delight in God's life-giving design for sacred sisterhood. In *I Don't Even Like Women*, Natalie Runion shows us how meaningful female friendships not only foster spiritual growth, they equip women to live out their calling with boldness and joy. You'll find yourself in these pages as Natalie:

- Breaks down the lies that distance us from other women
- Validates the reality of past trauma and equips us to find healing
- Shares stories (with a good dose of humor!) that help us move beyond insecurities, fear of rejection, and the comparison game
- Offers practical help for strengthening current relationships and building new ones

The Stronghold of the Chosen

An Interactive Bible Study Season 5

Amanda Jenkins, Dallas Jenkins, Douglas S. Huffman

Summary

A Bible study for people who need a safe place in Jesus, *The Stronghold of the Chosen* helps readers see Him as the refuge we desperately need.

What is a stronghold?

Well, a stronghold is a place of safety, fortified to protect inhabitants against attack. It's a place where people can feel secure, surrounded by high, sturdy walls. It's a place to rest and be restored. It's a place to plan the way forward.

It's a place.

Throughout the Bible, we're told that God is the Stronghold for those who follow Jesus, that He's our refuge in hard times and that in His presence our resources can be renewed.

But sometimes we resist running to Jesus. Like the crowds on that first Palm Sunday, we vacillate between declaring Him *Hosanna* ("the One who saves") and forfeiting the very safety and security He graciously provides.

In *The Stronghold of the Chosen*, the season 5 Bible study, we'll learn that Jesus is our safe place, along with all the reasons we should run to and remain in Him when hard times co...

Case Closed (Bundle of 10)

A Detective Investigates the Resurrection

J. Warner Wallace

Summary

Speaking to those who are skeptical of Christianity, cold-case detective J. Warner Wallace offers a simple and concise approach to proving the resurrection of Jesus in this convenient evangelism booklet.

Nothing is more foundational to the Christian faith than Jesus's resurrection. But subjective, emotional arguments won't convince skeptics that the resurrection happened. What if instead we approached their questions with the unbiased, fact-based manner of a cold-case detective evaluating the scene of a crime?

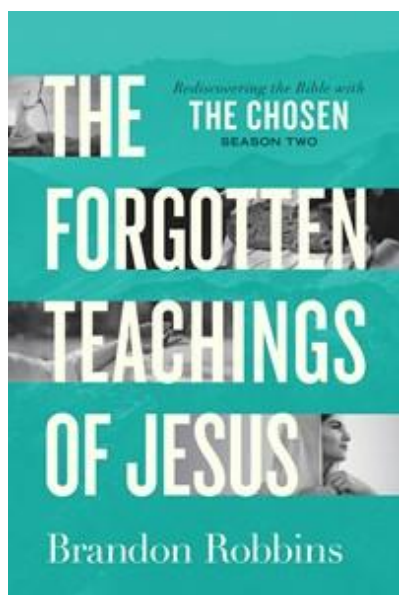

Taken from bestselling book *Cold-Case Christianity*, the *Case Closed* booklet by homicide detective and former atheist J. Warner Wallace asks and answers critical questions, such as:

- Could the disciples have been wrong about Jesus's death?
- What if the disciples made up the story of the empty tomb?
- Could Jesus's followers have been delusional or fooled?

Point by point, the author explains how the evidence for the resurrection is sufficient. The conclusion is reasonable. And the news is li...
