Unit 13: We Are Important to Jesus

Lesson 1: Before we learn about Jesus and the Samaritan woman, let's watch our video. Let's discover what it says about how important we are to Jesus.

Lesson 2: Let's watch our video. It talks about Jesus listening to us when we pray. Then we'll learn how Jesus healed a blind man. Jesus listens when we ask Him for help.

Lesson 3: Before we hear our Bible story about Zacchaeus, let's watch our video. The girl knows that Jesus loves her and helps her.

Lesson 4: As we watch our video today, what does it say about being important to Jesus? We are so important to Jesus that He wants us to follow Him. Our Bible story tells about Jesus calling Matthew to follow Him.

Unit 14: Jesus Helps Us

Lesson 5: Our Bible story tells us how Jesus used a boy's lunch to feed more than 5,000 people. As we watch our video, let's see how Jesus helped a girl throughout the week.

Lesson 6: Before we hear our Bible story, let's watch our video. Look for what the girl has learned this week with Jesus' help.

Lesson 7: Let's watch the girl in our video as she tells how Jesus cares for her and helps her. Then we will hear Jesus' story about a shepherd who rescued a lost sheep.

Lesson 8: In our video, the girl learns that Jesus loves her even when she fights with her sister. Let's watch to see how she learns to deal with that. Our Bible story tells about a young man whose father showed him about forgiveness.

Unit 15: God Made the World

Lesson 9: In today's Bible story, we'll hear how God made the sun and the day. Let's watch our video to see how kids on a field trip discover what God made.

Lesson 10: Today we'll learn that God made nighttime. Let's watch our video to see what kids on a field trip learn about what God made.

Lesson 11: Our Bible story teaches us that God made water and air. Let's watch the video to see how kids discover more about water and air during a field trip.

Lesson 12: Before we hear our Bible story about God creating the land and plants, let's watch our video to see the different plants the kids find on their field trip.

Lesson 13: Let's watch the video to see how the kids find different butterflies. Then we'll hear about how God made animals.
